LOCATION: Mount Canobolas, near Orange, Central Ranges of New South Wales, Australia - cool north-facing slopes; reliable, temperate climate with abundant summer and early autumn sun; cool to very cool nights during ripening which enhance grape color and wine flavor; reliable winter to mid-summer rainfall with a long, dry autumn period; rich volcanic soils.

## W I N E S

### 1999 CHARDONNAY

Orange, NSW, Australia

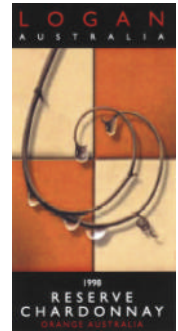

Lifted varietal melon aroma with hints of citrus and custard apple. This wine is unwooded and has a crisp balanced finish. Drink between now and about March 2002

### 1998 RESERVE CHARDONNAY

Orange, NSW, Australia

Made from fruit ripened to 13.3 degrees; Fermented and matured in French Allier and Vosges Oak for 7 months. Partial malo-lactic fermentation. A multi-layered chardonnay, with lovely stonefruit flavors overlayed with orange rind, marzipan and nutty, toasty oak. Drink from now until about 2003.

Awards: Gold medal, 1998 Royal Melbourne Wine Show

### 1999 RIESLING (sold out)

Claire Valley, South Australia

Unlike our other wines, fruit was sourced from one of Australia's premier Riesling growing regions, Clare Valley. A crisp, well structured wine displaying a delicate lime aroma with orange blossom overtones, a light citrus flavor, talcy mineral character and an elegant dry finish. Drink between now and March 2001 or lay down until at least 2004 and enjoy a toasty, honeyed aged gem.

### 1998 SHIRAZ

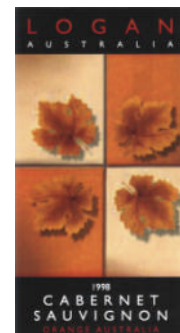

Orange, NSW, Australia

A deep crimson wine matured in French and American Oak for 16 months. Pungent dark berry, spicy cinnamon, clove and smokey oak aroma. Palate has a firm tannin beneath flavors of cassis, blood plum, blackberry and spice. Drink from now until about 2007

### 1998 CABERNET SAUVIGNON

Orange, NSW, Australia

A rich red, matured in a combination of French and American Oak for 16 months. Complex aromas of chocolate, mint, rich toasty oak, fresh earth and berries with a mint, plum and coffee flavor. Drink from now until about 2007.
